ROBERT A. COMPTON PRESENTS
2 MILLION MINUTES
THE 21ST CENTURY SOLUTION

21st Century Skills:

- Foundation
- Transitional Skills
- Transferable Skills
- Discover your Career DNA

Which leads us to these questions?

What evidence of your accomplishments during high school or college do you take with you upon graduation?

What items do you search for or are asked to produce after graduation?

Do we believe that our high school career has given us great knowledge and skills?

Much thanks to .... Dr. Helen Barrett, the ePortfolio guru.
