

# CAREER DNA

## Career Mapping

Identify individual who we are mapping their high school and college career. \_\_\_\_\_ Anita Morawski (wife)\_\_\_\_\_

	1 <sup>ST</sup> INTEREST	2 <sup>ND</sup> INTEREST	3 <sup>RD</sup> INTEREST
<b>Career DNA</b>			
<b>Assessment</b> (Pages 2 – 8) You need only to complete the assessment on pages 4 and 5. Record your interests	Conventional	Investigative	Social
<b>Validate your Assessment</b> (pages 9 – 14) Review each page; check off all the items that describe the individual. Your top three pages should match your original Career DNA	Conventional	Investigative	Social
<b>Choosing High School Courses</b> (Pages 15 – 17) Fill in each box with at least 3 courses that are listed in your interest areas.	Desktop Publishing Intro to Business Algebra	Sociology Psychology Anthropology	Medical Assisting Nurse Assisting Geometry
<b>Choosing a 2 Year College Major</b> (Pages 19 – 21) Choose at least three, 2 year college majors that match your interest areas.	Medical Assisting Nursing Occupational Therapy Asst	Human Resource Mgmt Sociology Anthropology	Paralegal studies Executive Sequence Legal Sequence
<b>Choosing a 4 Year College Major</b> (Pages 19 – 21) Choose at least three, 4 year college majors that match your interest areas. <b>Include the Career DNA code along with the college major.</b>	Pharmacist (ICS) Audiologist (ISC) Pre-Medicine (IS)	Registered Nurse (SIC) Law & Social Thought(SI) Library Science Teacher (SIC)	Spanish & Legal Assisting (CSI) Accounting (CSI) Accounting Techn. (CSI)
<b>Military Careers</b> Choose 2 enlisted military job titles for enlisted and 2 military job titles for (O) officer. (Pages 24 – 26)	Medical Technician (E) Dietician (O)	Personnel Specialist (E) Personnel Manager (O)	Medical Record Tech (E) Store Manager (O)
<b>ONET JOB TITLES</b> (Pages 22 and 23)  Identify 3 job titles that begin with the combination of the three interests. For example, if you are ACE, then list jobs for ACE, CAE, EAC, etc. any combination of the three letters. Go to <a href="http://www.onetonline.org/find/descriptor/browse/Interests/">http://www.onetonline.org/find/descriptor/browse/Interests/</a> to input your letters.	Pharmacist (ICS) Library Science Teacher (IC) School Psychologist (IS)	Registered Nurse (SIC) Informatics Nurse Specialist (SIC) Occupational Therapist (SIC)	Social Science Research Assistant (CIS) Archivist (CIS) Actuary (CI)

Note: If your career interests touch each other in this picture, you will have many job title choices. For example, I am an SEC. All three of my letters touch each other. If your career interests do not touch each other but jump over an area, you will have less job titles to choose from.
